Dear Tracy and team,

Thank you for providing the onsite catering at our client's private party on December 8th! They thought your food selection and presentation was "phenomenal" (their words)! The wait and wine staff were extremely professional and top notch! We look forward to our next event together.

It completely fit our style and vision for the day and well exceeded our expectations. We received so many compliments from guests on your meal as well! We will definitely be recommending you to others in the future! Thanks again,

Tracy,

From the first time we met you, we knew you were the person for us. Your calm demeanor and your incredible culinary talents have been so special. We constantly brag to everybody about how tasty and fresh your food is. We're so excited that you can help us celebrate in style!

Thanks,
David + Courtney

Thank you, thank you, thank you! It seems so inadequate, but my heart is overflowing with gratitude. You made the wedding absolutely perfect. What a gift you have. Thank you for sharing it with our family and friends. Now let's have a cup of coffee and relax!

Love,
Peri

Tracy -

We want to thank you so much for the amazing job you and your team did at our wedding on August 1st. The food was beyond delicious and perfectly captured the European feel of our wedding. We loved the uniqueness of the lipse beer during cocktail hour and that we were able to introduce many of our guests to a new food experience.

Everyone that we talked with said that this was the best wedding food they'd ever had! All the desserts you made were also delicious. But the cake you made for us was off the charts! Even the next day it was super moist and flavorful.

Thank you!

Nicole & Matt

Tracy!

I cannot tell you how many RAVING reviews we received on your food. I'm not exaggerating – I lost count. And many of those reviews from those who have an experienced and particular palate, too!

Thank you for all you and your team contributed to the experience. It is a special thing to go into an event knowing that you have not a thing to worry about with particular vendors (- YOU -) and you exceed even those already high expectations. We are so grateful to you.

Any finally I can not thank you enough for sharing your expertise with us. We were very pleased with the food. All I heard were great reviews. Thank you once again from the bottom of my heart! ❤️

Sincerely,

Joanne

Dear Tracy and Staff,

We can not thank you enough for all your hard work and efforts to make the meal at the "Person Wedding" go so smoothly. Everything was excellent. Have received many compliments to the chef/chefs. Hopefully the hill didn't cause you too many problems or aches and pains. Please Accept this check as a token of our appreciation. We really enjoyed working with you and would highly recommend you in the future. Thankfully she is our only daughter so that hill will never come into play again for a Person function. Take care and enjoy your new facility.

Sincerely,
Jack + Joanne Person
